## GTN Assistants (Optional Plan)

Support services that make your life in Japan more comfortable and secure are available.

- Consult about daily life via chat or phone.
- Consultation is available in your native language.
- Medical interpreters are also available.
- Disaster information, and useful information.

Initial month fee **Free**

\* A monthly fee of 1,078 yen (tax included) will be charged starting from the second month.  
It will be automatically updated monthly.

【Notes】

- The communication network for this plan is within Rakuten Mobile's 4G LTE/5G coverage area.  
Communication speeds may vary in high-speed data unlimited areas, depending on factors like location (underground, indoors, large commercial buildings) and radio wave conditions.
- Please note that number portability (MNP) is not available for this plan.
- After completing payment settings and card issuance for Epos discounts, and setting up home internet connection for Internet discounts, various set discounts will be applied.

(As of April 2024)
